Nadic. Your Advantage.

Setting ourselves apart through results, service and thought leadership.

Nadic – Overview

Nadic is a specialist insurance brokerage and risk management firm. We are located strategically over the East Coast of Australia, with offices in Sydney, Newcastle and the Gold Coast.

We set ourselves apart through results, service and thought leadership - blending a uniquely differentiated customer experience.

As a medium size firm, our clients benefit from our competitive cost structure and our 'results driven service' model. Simply put, we get closer to our clients, so we can understand and manage their risks better than anyone else.

Since 1966 we have aimed to protect and grow the value of our clients' businesses. We combine experience, expert market knowledge and lateral thinking to deliver effective risk and insurance solutions - assisting our clients to leverage their financial and human capital, in pursuit of their vision.

Experienced. Innovative. Client Focused. This is Nadic.
This is your advantage.

Our Guiding Values

Our corporate values are our living principles; and every day our decisions are guided by our values.

Customer Centricity – It's all about you. What is right for you and what represents real value for your business. This comes first and always will.

Transparency – We believe transparency is all about open communication and accountability. It is part of everything we do.

Trust – We believe the best results are achieved through long term relationships, and trust is the building block.

Integrity – For Nadic, this means having dedication to our values so that we consistently achieve the highest professional standards.
